Located in the exclusive Nogentil sector of Courchevel 1850 and one of the few recipients of the Courchevel Tourist Office's '5* Label Courchevel' award, Chalet St Christophe is one of the most luxurious chalets in the area with direct access to the ski slopes.

Built to the highest specifications the chalet offers accommodation over four floors each linked by an elevator. The centre piece of the chalet is a magnificent south facing sitting room and dining room with panoramic views across the slopes of Courchevel 1850 and featuring an open log fireplace, HD satellite & terrestrial plasma Bang & Olufsen television, DVD, video, iPod and surround sound music systems.

The chalet's five bedrooms are all fully en-suite and individually furnished in different fabrics, textures and antique furniture and each features HD satellite television and a personal safe. Each of the bedrooms can be made into either a double or twin, two are equipped with a third bed and three are suitable for the inclusion of cots.

On the ground floor there is a leisure room featuring a swimming pool, Sauna, shower, bathroom and massage room, a study area equipped with telephone, fax, computer, broadband and wireless Internet access, a laundry room and a heated ski and boot room.

The chalet is surrounded by an extensive south facing sun terrace featuring a games area with table football and air hockey, outdoor heaters, exterior music system and a fully stocked bar and on-site parking is available on the chalets heated private driveway.

The chalet is run by no less than four dedicated members of staff including a professional bi-lingual French chef, two hostesses and a bespoke on-call chauffeur providing an exceptional level of personal service.

Private return airport and train station transfers, ski passes on arrival and a fully stocked bar are all complimentary and helicopter transfers from the airport to the Courchevel Altiport located just above the chalet, in-chalet ski and snowboard equipment rental, childcare, private nannies, massage services and much more can be arranged as required.

Catering to the highest level is an integral part of the chalet service and the combination of traditional French cuisine, creativity, flair and flavours from around the world provide a unique culinary experience including an a la carte breakfast, afternoon tea with mulled wine, children's evening meals, a selection of homemade hot and cold canapes with Champagne and a fabulous four course dinner with a range of specially selected wines.
